TITLE SEARCH REQUIREMENTS

For all purchase and refinance transactions, a current search must be conducted and provided to Stewart Title at the time of order. In addition, a subsearch should be conducted on the date of closing. Please advise Stewart Title, prior to closing, of any registrations occurring between the date of the original current search and the date of subsearch.

GAP COVERAGE

Gap coverage is provided in all Stewart Title commercial owner and lender policies. In addition, Stewart Title offers a commercial Gap Policy (available for both owners and lenders) that provides coverage for gap only.

Gap coverage in both forms of policy insures against loss or damage arising from intervening registrations that arise between the date of closing and the date of registration of the instrument giving rise to the insured interest (i.e. transfer or mortgage).

Please contact a Stewart Title underwriter for details of both Stewart Title's commercial policy and gap only policy.

SURVEY REQUIREMENTS

For Owner:

An up-to-date survey is *not* required to obtain a survey endorsement for:

- developed properties up to \$25 million;
- vacant land, or properties under construction, up to \$12 million.

For all other thresholds, an up-to-date survey is required to obtain a survey endorsement; however, survey coverage may be negotiated in the event that a suitable survey is available and the vendor(s)/mortgagor(s) is willing to provide a suitable statutory declaration confirming that there have been no improvements to the subject property, up to the Policy Date.

For Lender:

For all Commercial Transactions: An up-to-date survey is *not* required to obtain the survey coverage found in the commercial lender policy jacket.
